MCC PSC TT Issue #7

MCC Transition Times

Committed to keeping
MCC up to date and
invested in our 2026
Pastoral Transition

McAuley's Corner

We're into the Fall and as the Transition process picks up more pace, we are also into a new series of sermons entitled, *Responding To God*.

The way that we think about God affects our entire lives. My hope is that you will come to these services with an attitude of heart that is ready to learn more about God and to respond to whatever he has to teach us.

After that we will look more closely at some messages on what the Bible teaches us about the Church. There is much wisdom in the scriptures about the church.

God's plans for this church are far greater than our own and we want to look forward in expectancy and obedience to great times ahead for Millarville Community Church.

Blessings, **Pastor Barry**

Green Circle :: MCC's Vision Clarity and Renewal Process

And now word from Karen:

It was a delight to have a few days in Foothills County and take in the beauty of your sprawling countryside. Thank you for the warm welcome. Along with you, I'm anticipating all that God will do as you move ahead at MCC.

Karen

Greetings Millarville Church ... and a big welcome to September! Where did the Summer go? Karen and I had a great visit with you August 9 – 11 ... more below from Karen herself. I had some more follow up meetings, and a good PSC meeting beginning planning for the September 27th Town Hall after Barry's sermon 'Our Sovereign God' and lunch.

We have titled the Town Hall '*A Look Back, A Look Around, A Look Ahead*' and are very much looking forward to sinking our collective teeth into the beginning stages of the green circle in the Transition Arc – Vision Clarity and Renewal. This is a first baby step in that process, and we hope MCC participates fully as we get started on this critical aspect of being able to hire a Pastor.

More from the PSC soon *dlc*

ps I will be back over the weekend of September 25 - 28 for the Town Hall
